

SCHOOL COUNCIL E-MAIL LIST

Subscription Form

The Wexford Collegiate School for the Arts School Council maintains an E-mail list for the distribution of meeting agendas, minutes, and support documents, as well as for the distribution of information from the school, the Toronto District School Board and the Ontario Ministry of Education that may be of interest to the school community. While the primary focus of the list is to facilitate the distribution of information and materials to parents, we welcome staff, student and community member subscriptions to the list as well.

Joining the E-mail list is a great way to stay informed about school happenings and events.

To join the E-mail list, please fill out and return this subscription form to the school office.

(Please note that if you are already on the E-mail list you do not have to submit a form to remain on the list - this form is only for new subscriptions.)
